

## **Report on Practical 1**

**Submitted by: Kazi Jahidur Rahaman**

Course title: Digital Processing of Remotely Sensed Data

Program: Forest Information Technology

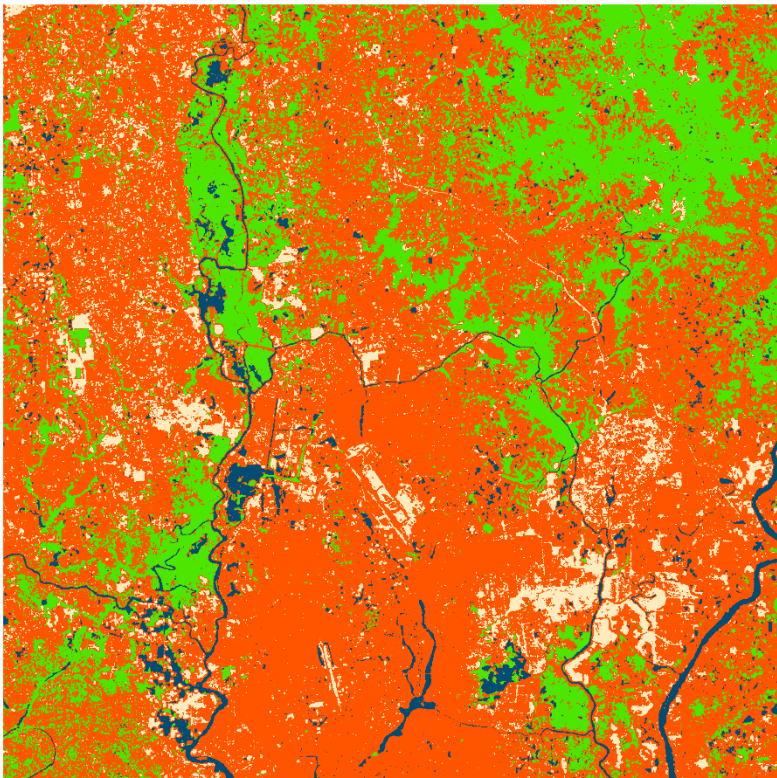

Warsaw University of Life Sciences, and

Eberswalde University for Sustainable Development

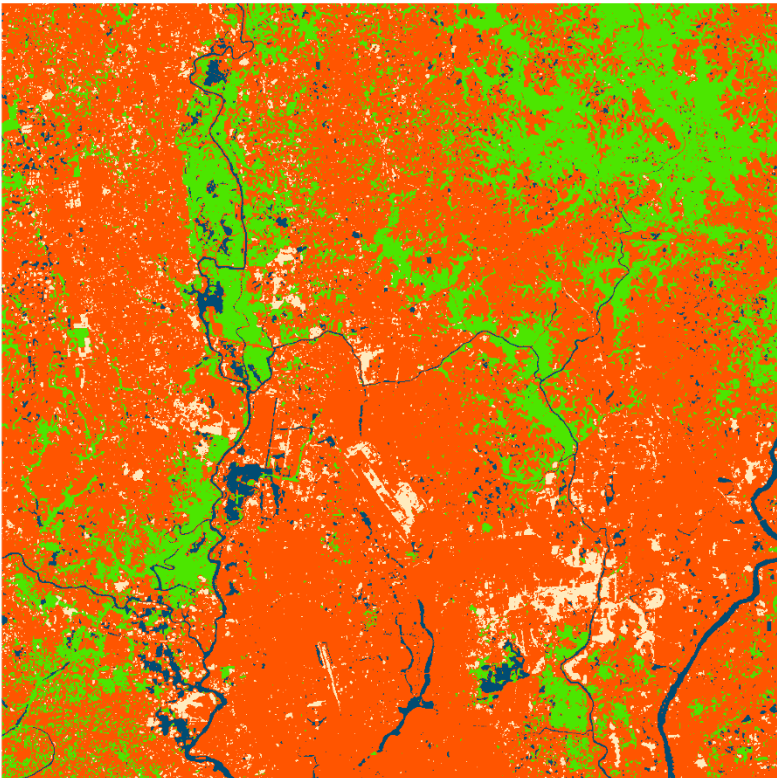

Date: 14/05/2023

# Land Class Classification of Dhaka

Data Aquisition Date: 2023-03-07  
Cloud Cover: 0.02  
Processing Level: L1TP

Algorithm: Spectral Angle Mapping(SAM)

Algorithm: Minimum Distance
